Religion is daily and we will visit the Religion room for activities and also use Benziger "Stories of God's Love" workbooks. Students entering the 3-year classes need to be "potty-trained" and they must be ready to use our bathroom facilities independently, having an understanding of what needs to be done. We work with students who may not be completely trained, however, pull-ups will be required in this case and parents will be called to assist in the changes if the episodes are frequent.
