## A Book Study for Parents

Presented over 2 nights, 2 weeks apart. Guest speakers each night.

Cost is \$20 per book.

Two parents are free to share a book and both come for the discussions.

Some parts of the job are obvious. Don't run with scissors. Brush your teeth. Be kind to animals. But some parts of parenting are not so cut and dry. *How do I set healthy limits and risk not being liked? How do I say "no" when everyone else is saying "yes"? How do I raise them Catholic and keep them Catholic? How do I manage our crazy schedules?* Practical advice, actionable tips, and comforting stories combine to give parents exactly the tools they need to learn: All parents face challenges, but Catholic parents have a unique opportunity - the ability to weather any storm with the grace that comes from their Catholic faith. And a bit of help from **A Catholic Parent's Toolbox**.
